Subject: Fw: DEP letter regarding Dimock

Bob - To follow up on my message yesterday, we need to talk about Dimock. Below is a letter that Sec. Krancer just sent me. We are working on a response. Also, I was just notified that ATSDR has provided the report to the PA Dept. of Health. We are working on messaging to provide it to PADEP, Cabot, and to let the residents know about its existence. We should talk as soon as we can.

Thanks - Shawn
